

Average Circulated New Zealand Coins

Average Circulated Condition: The halfpennies and pennies are Fine or better in the earlier dates, with later dates being in Very Fine to Extremely Fine condition. The threepences, sixpences, shillings, florins and halfcrowns are usually Very Good or better in the earlier dates, with later dates being in Very Fine to Extremely Fine condition. The crowns are usually Extremely Fine or better. *No bent or damaged coins.* (“-” means no coins minted)
